Dear Supported Housing Tenant,

Update on use of Communal Lounges

Due to temporary staffing issues within the housing cleaning team, we are unable to clean communal lounges to the required standard.

Therefore we have taken the very difficult decision to temporarily close all our communal lounges from Tuesday 27 July 2021 until we are able to maintain the standard of cleaning required.

We are exploring a number of different options with local charities to see if there is a way in which we can re-open some of these lounges safely for organised activities and will keep you informed of our progress.

We know how much you value your communal lounges as facilities to meet your friends and neighbours, especially at such a difficult time and therefore this decision was not taken lightly. Please be assured that we will revisit this decision on a weekly basis and let you know of any changes. If you have any questions or concerns about this please feel free to contact the supported housing team on 01442 228347.

Yours faithfully

Kevin Mutio
