

## **Schedule of clarifications to the DRAFT Two Waters Masterplan Guidance**

**(Cabinet June 2017)**

### **1.1 All references to the emerging Site Allocations DPD**

The draft Two Waters Masterplan Guidance refers on a number of occasions to the emerging Site Allocations DPD. The Site Allocations DPD will be submitted to Cabinet on the 27<sup>th</sup> of June with the recommendation for approval and is expected to be adopted at Full Council on the 12<sup>th</sup> of July. Subject to adoption of the Site Allocations DPD on the 12<sup>th</sup> of July or prior to the adoption of the Two Waters Masterplan Guidance, the wording in the draft Two Waters Masterplan Guidance will be amended to reflect the adoption of the Site Allocations DPD whilst the final revisions are being made to the document.

### **1.2 Reference to Parking Standards including Appendix 1 of the Two Waters Masterplan Guidance**

DBC is currently in the process of producing new parking standards to consult on later in the year. As the new parking standards are not available as yet, the current parking standards have been included as an appendix to assist public and stakeholders during the consultation. However, in order to avoid information in the document becoming 'dated', Appendix 1 will not form part of the final document and the final Two Waters Masterplan Guidance will refer to 'current DBC parking guidance'.
