Proposal

The Council has now reached the next stage in its adoption of a community Infrastructure Levy and has submitted its CIL Draft Charging Schedule to the Planning Inspectorate for examination. As required under Regulation 19 of the CIL Regulations I enclose a copy of our Statement of Modifications and would invite you to make comments thereon. These should be addressed to our Programme Officer, Ian Kemp, so they are received no later than the 13th August 2014.

Decision

Notice is given under article 16 of the Town and Country Planning (Development Management Procedure) (England) Order 2010 that the Hertfordshire County Council as Highway Authority does not wish to restrict the grant of permission.

I confirm that the highway authority has no issues with the proposed changes.

Nick Gough
