

Community Infrastructure Levy Discretionary Charitable Relief Policy

Dacorum Borough Council hereby gives notice that the Council is offering discretionary charitable relief in its area under Regulations 44 and 45 of the Community Infrastructure Regulations 2010 (as amended)

The Council will begin accepting claims for relief from the 1st April 2015.

Subject to the requirements of the Regulations, the Council offers discretionary charitable relief:

- a) Where the proposed charitable development will be used to fund the provision of services to residents of the Borough; and
- b) That charitable relief shall be given at the rate of 25% of the amount of CIL due.

Claiming Discretionary Charitable Relief

The Council's ability to grant discretionary charitable relief from CIL is limited by Regulations 44 and 45 of the CIL Regulations. You are advised to consult the Regulations and the Department for Communities and Local Government Guide 'Community Infrastructure Levy Relief' to check whether the chargeable development is eligible before submitting a claim.

The Department for Communities and Local Government guide can be located on line by following the link below:

Regulation 47 of the CIL Regulations sets out the procedure for claiming Charitable Relief.

If these procedures are not followed, development will cease to be eligible for charitable relief and/or claims for charitable relief will lapse.

All Claims for Charitable Relief should be made on Form 2 "Claiming Exemption or Relief" available on the Planning Portal. These should be submitted alongside Form 1 "Assumption of Liability"
