We consider ourselves to be a family club supplying a wide range of entertainment and recreational facilities to our members. As part of this we frequently host special evenings to celebrate members Wedding Anniversaries, Special Birthdays, Wedding Receptions, retirement parties etc etc. We also host Inter County Snooker tournaments, Quiz matches, Darts competitions, trophy presentations, charity fund raising nights, we also have our own sports teams, Snooker, Pool, Darts, Football and Cricket. On these special occasions (approx 2-3 per month) we would normally apply to the magistrates court for a slightly later closing time an extra hour to 00.00. These special occasions could be on any day of the week but mostly Fridays and Saturdays. So we would like to change are opening times to 10.00 to 00.00 to allow for these special occasions. However, if not a special occasion we would like to continue to close our bars at the usual time of 23.00 Opening hours, we are currently allowed to open at 08.00 but we have never had any need to do this, so we would like to change this to 10.00. It is unlikely that we would alter our current lunchtime opening and closing hours.

		<p>Kings Langley Services Club is a members club with approx 800 members. We consider ourselves to be a family club supplying a wide range of entertainment and recreational facilities to our members. As part of this we frequently host special evenings to celebrate members Wedding Anniversaries, Special Birthdays, Wedding Receptions, retirement parties etc etc.</p> <p>We also host Inter County Snooker tournaments, Quiz matches, Darts competitions, trophy presentations, charity fund raising nights, we also have our own sports teams, Snooker, Pool, Darts, Football and Cricket.</p> <p>On these special occasions (approx 2-3 per month) we would normally apply to the magistrates court for a slightly later closing time an extra hour to 00.00. These special occasions could be on any day of the week but mostly Fridays and Saturdays.</p> <p>So we would like to change are opening times to 10.00 to 00.00 to allow for these special occasions. However, if not a special occasion we would like to continue to close our bars at the usual time of 23.00</p> <p>Opening hours, we are currently allowed to open at 08.00 but we have never had any need to do this, so we would like to change this to 10.00.</p> <p>It is unlikely that we would alter our current lunchtime opening and closing hours.</p>

Certificate conditions

Each Club Premises Certificate is subject to a number of conditions. Many of these will be bespoke to the individual certificate – for details of the conditions applying to any specific certificate please contact us. Every certificate is also subject to the following ‘mandatory conditions’, which are set by the legislation:

For certificates which authorise the supply of alcohol:

Condition C1.

- (1) Any supply of alcohol for consumption off the premises must be made at a time when the premises are open for the purposes of supplying alcohol, in accordance with the club premises certificate, to members of the club for consumption on the premises.
- (2) Any alcohol supplied for consumption off the premises must be in a sealed container.
- (3) Any supply of alcohol for consumption off the premises must be made to a member of the club in person.

Condition C2.

- (1) The responsible person must ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.
- (2) In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises—
 - (a) games or other activities which require or encourage, or are designed to require or encourage, individuals to—
 - (i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol); or
 - (ii) drink as much alcohol as possible (whether within a time limit or otherwise);
 - (b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic in a manner which carries a significant risk of undermining a licensing objective;
 - (c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less in a manner which carries a significant risk of undermining a licensing objective;
 - (d) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner;
 - (e) dispensing alcohol directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of disability).

Condition C3.

- (1) The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.
- (2) The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.
- (3) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either—
 - (a) a holographic mark, or
 - (b) an ultraviolet feature.

Condition C4.

The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.

N.B. In these conditions, ‘responsible person’ means any member of officer of the club present on the premises in a capacity which enables him to prevent supplies of alcohol.

Condition C5.

The responsible person must ensure that—

- (a) where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures—
 - (i) beer or cider: ½ pint;
 - (ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and
 - (iii) still wine in a glass: 125 ml; and
- (b) these measures are displayed in a menu, price list or other printed material which is available to customers on the premises; and
- (c) where a customer does not in relation to a sale of alcohol specify the quantity of alcohol to be sold, the customer is made aware that these measures are available.

Condition C6.

- (1) A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.
- (2) In this condition:—
 - (a) “permitted price” is the price found by applying the formula $P = D + (D \times V)$, where—
 - (i) P is the permitted price,
 - (ii) D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and
 - (iii) V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;
 - (b) “duty” is to be construed in accordance with the Alcoholic Liquor Duties Act 1979;
 - (c) “relevant person” means, in relation to premises in respect of which there is in force a premises licence—
 - (i) the holder of the premises licence,
 - (ii) the designated premises supervisor (if any) in respect of such a licence, or
 - (iii) the personal licence holder who makes or authorises a supply of alcohol under such a licence;
 - (d) “relevant person” means, in relation to premises in respect of which there is in force a club premises certificate, any member or officer of the club present on the premises in a capacity which enables the member or officer to prevent the supply in question; and
 - (e) “value added tax” means value added tax charged in accordance with the Value Added Tax Act 1994.
- (3) Where the permitted price would not be a whole number of pennies, the permitted price shall be taken to be the price rounded up to the nearest penny.
- (4) Where the permitted price on a day (“the first day”) would be different from the permitted price on the next day (“the second day”) as a result of a change to the rate of duty or value added tax, the permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

For certificates which authorise the exhibition of films:

Condition F1.

The admission of persons under the age of 18 to the exhibition of films must be restricted in accordance with any recommendation of the British Board of Film Classification, or, where there is no such recommendation or the licensing authority has notified the holder that section 20(3)(b) of the Licensing Act 2003 applies to the film, the recommendation of the licensing authority.
