The Infrastructure List

A statement of the infrastructure projects or types of infrastructure which the charging authority intends will be, or may be, wholly or partly funded by CIL.

A report to Cabinet in November 2016 detailed the following themes that the Infrastructure Advisory Group identified as priorities for funding:

- Transport Infrastructure
- Infrastructure for East Hemel Hempstead

The Council is currently preparing its revised Infrastructure Delivery Plan (IDP) alongside the revised new Local Plan. When completed the IDP will provide a more detailed list of infrastructure priorities which will require funding, this will be reflected in future updates to the Infrastructure Funding Statement.
